

BSC Calendar Event Form

Please read and follow the Posting Guidelines and Disclaimer on page 2 of [BSC Calendar of Events Overview](#). These educational events should be of interest to professionals who follow the field of neurofeedback and its related disciplines. Please be sure you do not imply that your event is either sponsored or endorsed by the Biofeedback Society of California, unless specifically documented otherwise.

To apply for inclusion of your event in the BSC calendar, please send the details to Gary Schummer, PhD, the BSC education subcommittee chairperson:

24050 Madison St., Suite 111
Torrance, CA 90505

Or email event details to GSchummer@ADDTreatmentCenters.org. After being reviewed and approved, your event will be added to the calendar. Please allow one week from receipt of your event for it to appear on the calendar.

To ensure the most optimal appearance of your event on our Google calendar, please provide these relevant details or use the form below:

- Order of information:
 - ✓ Event title
 - ✓ Event dates and times (include time zone)
 - ✓ Event location
 - ✓ Event description
- Maximum number of lines (using 12 point font): 40
- Embedded links to web pages are not supported, but if the reader clicks on the “more details” link at the bottom of the pop-up detail window, email address links work.
